COMMUNITY SERVICES

Open Hearts. Bold Strides.

We are all better off, as a community, as a society, if we are all connected. We need the disconnected, the homeless, the vulnerable as they need us. They are us. We, but for advantages of birth or circumstance, are them -human hearts, in need of human connection and meaning in their lives. There is more that unites us than divides us, yet the most disadvantaged are stigmatised, without a voice for change.

Change does not come easily. We take our legacy and inspiration from the bold, courageous individuals from as far back as the 17th century doing what nobody else dared. Not because it was asked of them but because it was right and it was needed. Today Ruah will not meander in our pursuit of measurably transforming lives. We go boldly toward not just helping homeless people, but ending homelessness. Ending domestic violence. Changing the lives and creating opportunities for those experiencing mental health issues. We choose to work with the most vulnerable, the most challenged -because it's difficult, because this makes a difference.

What we fulfil in our clients, we nourish in ourselves. By wrapping around our clients, we navigate the system or change it, based on what they need, on their terms. We keep moving, we overcome the complex, change the rules, challenge the systems. Ruah delivers not just what clients expect but what clients deserve. And they deserve what you deserve.

Open your heart. Embolden your stride. Ruah
